Customer Refunds by Electronic Funds Transfer

Under provisions of the Debt Collection Improvement Act, effective January 2, 1999 refunds will be made by EFT (Electronic Funds Transfer). The legislation requires that the U. S. Patent and Trademark Office convert from paper-based payment methods, i.e., checks from the U. S. Treasury, to EFT. EFT refunds will only be available to those customers who maintain an account with a U. S. banking institution.

It is of great importance that your current banking information be provided in order to process your refund request. Accordingly, please fill out the attached Automated Clearing House form so that you may receive your refund, if granted, by EFT. The ACH form includes banking information necessary to process your EFT refund. This information appears on the magnetic strip encoded at the bottom of your check; accordingly, you may fax a copy of your current check (marked "Void") in lieu of filling out the ACH form. The ACH form/check copy must be faxed within 3 business days of this notification. Completed forms may be faxed to the Refund Unit at 703-308-6778.

If you are an individual, you may request an automatic waiver of the EFT requirement, by certifying to the Patent & Trademark Office, that payment by EFT would impose a hardship due to a physical or mental disability, or a geographic, language or literacy barrier, or would impose financial hardship. Waivers may also be faxed to the above fax number.

Please include the serial number and the amount to be refunded.
